

元智大學 電機工程學系 碩士在職專班 必修科目表
(113 學年度入學新生適用)

Department of Electrical Engineering, Yuan Ze University
List of Required Courses for Executive Master Program
(For Fall 2023 Admits)

113.03.26 112-3 電機通訊學院課程委員會議
113.05.01 112-05 教務會議(待審)

學年 學期 科目	第一學年 First Academic Year		第二學年 Second Academic Year	
	上 Fall Semester	下 Spring Semester	上 Fall Semester	下 Spring Semester
必修科目 (4) Required Courses (4 credits)	研究專題(1) Research Project EE800	研究專題(1) Research Project EE800	研究專題(1) Research Project EE800	研究專題(1) Research Project EE800
學期學分小計 Subtotal	1	1	1	1
備註 Remarks	<p>1. 最低畢業學分：34 學分(包含畢業碩士論文 6 學分，必修 4 學分，選修 24 學分)。 To satisfy the course requirement for the M.S. degree, the student must successfully complete at least 34 credits including 6 credits of Master's Thesis. 於修業年限內，選修科目至少需修畢 24 學分，本系選修至少 12 學分。 Within the permissible period of study, a minimum of 24 credits from elective courses must be completed, with at least 12 credits offered by the department.</p> <p>2. 研究專題為必修科目，最多修 4 學期即可，若在 4 學期內提前畢業則不足之學分數由選修科目替補。 Research Project are required course and may be repeated to a maximum of four semesters per degree program. Students applying for graduation within four semesters should use elective courses for substitutions. 研究專題為指導教授輔導同學論文寫作之系列課程，同學於開學選課前，必須確定指導教授並繳交「研究生指導教授申請表」，若未如期完成，則「研究專題」視為不及格。 The 'Research Project' involves a series of courses where professors guide students in thesis writing. Before selecting courses at the beginning of the semester, students must confirm their supervising professor and submit the 'Graduate Student Supervisor Application Form.' Failure to do so by the deadline will result in a failing grade for the 'Research Project'.</p> <p>3. 學生於修業期間如遇申訴案件，先提交各組研究生事務委員會進行調查後，再報請系務會議裁決。 The appeals filed by registered students should be investigated by the Graduate Student Affairs Committee first and then determined by the Department Affair Meeting.</p> <p>4. 其餘相關規定(如：跨學制修課、學術研究倫理教育課程、論文原創性比對程序..等)，依「元智大學碩、博士研究生學位考試細則」、「元智大學電機工程學系碩士在職專班以專業實務報告代替碩士論文之認定基準」及「元智大學 電機工程學系碩士班在職專班修業規定」等相關規定辦理。 For other relevant regulations, such as Courses across the Academic Systems, academic research ethics education courses, and procedures for thesis originality assessment, please refer to the "Regulations Governing the Master Program of Department of Electrical Engineering, Yuan Ze University"</p>
